

DESCRIPTION

Fresenius Medical Care is the world's largest, integrated provider of products and services for individuals with chronic kidney failure, a condition that affects about 1.5 million individuals worldwide. Through its network of more than 2,600 dialysis clinics in North America, Europe, Latin America and Asia-Pacific, Fresenius Medical Care provides dialysis treatment to nearly 215,000 patients around the globe.

GREENSBORO, NORTH CAROLINA

Greensboro is the third-largest city in North Carolina, with an estimated population of over 260,000. It is part of the thriving metropolitan-statistical area called the Piedmont Triad, which has a population of more than 1.6 million. Greensboro has a vibrant and diverse economy that was once built around textiles and manufacturing. Today, it is driven by aviation, transportation and logistics, microchip, life science-related operations and connections to research centers at North Carolina A&T State University and the University of North Carolina at Greensboro. The Greensboro region is home to over ten corporate headquarters and a number of major divisions of multi-national firms.
